

BD BACTEC™ MGIT™ 320/960

Service Offerings

BD Technical Services is your partner for performance.

BD Service teams enable you to better serve your customers and patients. You can count on our deep knowledge and experience to help ensure your BD BACTEC™ MGIT™ 320/960 delivers expected, timely results.

Maximum Uptime

At BD, we understand the cost and consequences of unexpected downtime. We are committed to maximizing your system uptime to make sure you keep your promises. Customers under service plans get priority service compared to time and materials.

- Preventive maintenance
- Remote service capability
- Responsive onsite repair

Peace of Mind

No more wondering how and when your instrument will be repaired. Rest assured knowing you have access to BD service professionals whenever you need them and when it matters most.

- 24/7 telephone and email support
- Text/Chat/App support
- Local field service expertise

Predictable Expense

Protect your budget from unexpected costs. Our service plans are one flat fee that covers your corrective and maintenance-related service needs when and how your laboratory needs it.

- No hidden charges
- Extends your comprehensive service warranty
- Multi-year pricing available
